

Service 48 disruption

On **Wednesday 1st and Thursday 2nd July 2026** there will be off peak **(between 0900 and 1600hrs)** disruption and diversions to our 48 service due to the closure of the road between Grimston and Gayton for BT open reach works.

The regular service 48 will therefore only operate between King's Lynn and Gayton (terminating at the Crown Public House in Gatyton). This will operate to the normal times, i.e. leaving King's Lynn at **xx30** minutes past the hour.

So that customers from Grimston, Roydon and Pott Row still have access to buses we are providing a dedicated shuttle bus service between these locations and King's Lynn (operating via Leziate Drove). This will operate at the below times:
